

Flowers Associates

A Brighter Bunch in the World of Recruitment

Pruning
the cost
of your
recruitment

Nurture and grow your new recruit while they bed in with our **pay-as-you-go** package.

Spreading the **cost** of your new recruit over **13 weeks** helps with **cash flow** and allows you to develop them before positioning them permanently.

You can make your new recruit permanent at any time during the period or wait until the end of 13 weeks and have a **FREE temp-to-perm transfer**.
